Without the help of some dedicated individuals, the *Res Publica* would not have come to fruition. A \$750 grant from the **National Office of Pi Sigma Alpha** allowed the Department to finance the creation of this journal. **Jamie Ingle, Geoff Goodman, Neal Vermillion, and Amy Stewart** served on the editorial board. The faculty project advisors, **James Simeone, Kathleen Montgomery, and Tari Renner** provided invaluable time and advice putting the journal together. **Anne Peterson** served as the student editor-in-chief, and **Patra Noonan** contributed as layout editor. **Bruce Clark** created the ink drawing on the cover. Lastly, the Lambda Omicron chapter of Pi Sigma Alpha would like to thank all those who submitted articles for the journal. There were some hard choices to make, but we believe the results speak for themselves.
