* Hymn 117  "O God, Our Help in Ages Past"

Unison Prayer
The Lord be with you.
And also with you.
Let us pray.
O God, who gave us birth, you are ever more ready to hear than we are to pray. You know our needs before we ask, and our ignorance in asking. Give us now your grace, that as we shrink before the mystery of death, we may see the light of eternity. Speak to us once more your solemn message of life and of death. Help us to live as those prepared to die. And when our days here are accomplished, enable us to die as those who go forth to live, so that living or dying, our life may be in you, and that nothing in life or in death will be able to separate us from your great love in Christ Jesus our Lord. Amen.
