A lot of my classmates say cruel
things about international students
when they're speaking their 1st
language & make comments about
how they should learn English.
Some of my friends who are
international students are some of
the nicest & brightest students.

I've heard many white males brag about having sex with a black girl & losing their "black virginity" and in the same breath go on to say how disgusting it is and the disgusting/disrespectful things they did/tried to do with a black girl. They completely ignore the fact that my sister, mom, and possible future wife are all black girls. #HereatIUU

Professors discriminate against students during class discussion, office hours, and sometimes while assigning grades. The discrimination is obviously based on race but I can't prove that to a board of white men. #Here@WU

Often times people assume that I am dumb or less smart than them because I'm a black male on a sports team; and I got in because I'm on the team. I usually just wait until I do better on a test to show them. #HereatWU
