subject: Revised - "Nation(s) Divided?" events

Good morning! On Friday, Jonathan and I sent a notice about Fall Nation(s) Divided events. Unfortunately, it did not include several very important events. Please review the following, which includes course cluster events and the Stevenson lecture featuring Mohamed ElBaradei. Tom Lutze would also like to remind you all of the course cluster brainstorming session today at 2 p.m., Hansen TV Lounge. Thanks for considering including these co-curricular activities in your work with students.

Thanks!  
Karla
