New SKETCHES August 23, 2016

Based on quick partial conversation yesterday
I resized every unit, planned only one unit to be walkable at the upper level, opened UC arch and Both DS passageways by a foot each, and lowered The height of House Z and $3$ planning a “window” At upper level and a balcony “sketch”.
This ROUGH sketch and GP plans for pictorial ground rows And a curved cyclorama on Line 18.
