PAC Mission Statement

The Pride Alumni Community (PAC) welcomes all members of the Illinois Wesleyan University community to join us: alumni, students, faculty, staff, family and friends of the University. Our mission is to connect members of the LGBT community, friends and allies to our alma mater.

We support the Pride Alliance, the IWU student-run organization on campus, in their commitment to all students, regardless of sexual orientation or gender identity. We also support their transition into engaged alumni who will continue to be productive members of the University upon graduation.

We share the University's overall educational, admission, career, and fundraising objectives, especially as they relate to and affect LGBT students, faculty, and staff.

Pride Alliance Statement

The Illinois Wesleyan University Pride Alliance is a student organization that works to ensure that all students have equal rights regardless of sexual orientation or gender identity. Pride generates awareness of issues affecting the gay, lesbian, bisexual, and trans-gendered communities through education and activism
