*Jerry Alber*

\*Processional—Hosanna

*Everett Titcomb*

\*The Star Spangled Banner

\*Hymn—

1.

Lord of all being, throned afar,  
Thy glory flames from sun and star;  
Center and soul of every sphere,  
Yet to each loving heart how near!

2.

Sun of our life, Thy quickening ray,  
Sheds on our path the glow of day;  
Star of our hope, Thy softened light  
Cheers the long watches of the night.

3.

Lord of all life, below, above,  
Whose light is truth, whose warmth is love,  
Before Thy everlasting throne,  
We ask no luster of our own.

4.

Grant us Thy truth to make us free  
And kindling hearts that burn for Thee,  
Till all Thy living altars claim  
One holy light, one heavenly flame.                      Amen.

—*Oliver Wendell Holmes*

\*Invocation in Unison—

Accept the work of this year, O Lord, as we lay it at Thy feet. Thou knowest its imperfections, and we know. We bless Thee that Thou art no hard taskmaster, watching grimly the stint of work we bring, but the Father and Teacher of men who rejoices with us as we learn to work. We have naught to boast before Thee, but we do not fear Thy face. Thou knowest all Things and Thou art Love. Accept every right intention, however brokenly fulfilled, but grant that ere our life is done we may under Thy tutelage become true master workmen, who know the art of a just and valiant life. Amen.
