WHO AND WHERE?
Scholarly Communications Librarians and the Digital Publishing Team at Wayne State University

WHY?
To combine Scholarly Communications and Digital Publishing services at the Wayne State University Library System under a single identity. This identity serves as the marketing and outreach tool for the branding of these services.

HOW?
The Scholarly Communications Librarians and the Digital Publishing Team developed a strategy for creating this identity by asking:

1.) What services will be offered?
2.) What will this identity be called?

And then by:

1.) Gaining approval from administration
2.) Getting buy-in from other librarians

FUTURE?
To continuously advance The Scholars Cooperative mission through various engaging enterprises. This includes creating a web presence and persistent development of marketing and outreach activities.
