Ninety-Seventh Anniversary Year

1850 - 1947

Illinois Wesleyan University
Bloomington, Illinois

We stand in a position of incalculable responsibility to the great wave of population overspreading the valley of the Mississippi. Destiny seems to point out this valley as the depository of the great heart of the Nation. From this center mighty pulsations, for good or evil, must in future flow, which shall not only affect the fortunes of the Republic but reach in their influence other and distant Nations of the earth.
