Without the help of some dedicated individuals, the *Res Publica* would not have come to fruition. A \$650 grant from the Illinois Wesleyan University Student Senate allowed the Department to finance the creation of this journal. **Brett Ludwig, Jennifer Pence, and Heather Vanderberg** served on the editorial board. The faculty project advisor, **James Simeone**, provided invaluable time and advice putting the journal together. **Jaime Ingle** and **Paul Konczal** served as student co-editors, and **Patra Noonan** contributed as layout editor. **Jennifer Mayer** created the cover design and provided assistance with the printing of the journal. Lastly, the Lambda Omicron chapter of Pi Sigma Alpha would like to thank all those who submitted articles for the journal. There were some hard choices to make, but we believe the results speak for themselves.
