## **ARC to Host Campus Visit**

BLOOMINGTON, Ill. – On Tuesday, Nov. 3, the Illinois Wesleyan University Action Research Center (ARC) will host a campus visit for teenage youth and their families. The event will begin in Hansen Student Center (300 Beecher St., Bloomington) at 7 p.m.

Visiting students will be given a brief tour of campus, followed by a discussion from a panel of IWU students who are the first in their families to attend college. They will also partake in a small group activity and have the opportunity to ask questions about college and college life. Meanwhile, parents will hear a presentation about financial aid and the admissions process. The event is geared towards high need students who may not think college is an option, in an effort to promote higher education.
