Titan Travelers 2015

We asked alumni and current students to take Illinois Wesleyan with them on their spring and summer travels and share with us via social media. Photos came to us from around the world, as well as in the U.S., coast to coast. Summer travel season may be over, but keep sending us your pics in your Titan gear.

Tag pics #TitanTravelers ... and look for us to share your snaps via social media. *(Please note: Higher resolution photos are preferred when possible.)*
