Students Invited to Attend Spring Internship, Job Fair

February 17, 2023

BLOOMINGTON, Ill. — More than 50 employers will be on campus to connect with Illinois Wesleyan University students during the Hart Career Center's Spring Job and Internship Fair on Wednesday, Feb. 22.

The event will take place from 11 a.m. to 2 p.m. in the Shirk Center.

Organizations in attendance will include State Farm, Country Financial, Carle BroMenn Medical Center and many more. These businesses will be looking both to fill full-time positions and offer internships. [More information about the attending organizations is available here.](#)

"Internships are vitally important today as employers expect candidates to have experience in their field when bringing in new talent. Students should prepare by updating their resumes, researching the organizations they plan to visit and thinking about how they will present themselves when speaking with employers," said Warren Kistner, director of the Hart Career Center.

Students should enter the Shirk Center through the main entryway and are strongly encouraged to wear business casual attire.
