Background: Illinois Wesleyan's Alpha Omicron Pi Collegiate Chapter will host a statewide conference uniting approximately 80 Alpha Omicron Pi collegiates from 15 Illinois universities and Alpha Omicron Pi alumnae.

The conference will feature informational sessions on issues concerning sorority life, such as activities to promote sisterhood, time management, and etiquette for formal dinners. There will also be arts and crafts sessions and round table discussions throughout the day.

During the conference's luncheon, **Susan Guenzler Getz, IWU Class of 1977**, will speak of the post-collegiate role of Alpha Omicron Pi in her life. Getz also visited with the Illinois Wesleyan chapter early last year as a motivational speaker.

The conference will conclude with a traditional Alpha Omicron Pi ceremony. According to **Marilee Muirhead, IWU Class of 2001**, Alpha Omicron Pi Chapter Relations, "The statewide conference is a wonderful opportunity for collegiates and alumnae to gather at Illinois Wesleyan to socialize, network, and promote their sisterhood."
