

To the Class of 2020 and Their Families

April 24, 2020

I am writing to provide you some updates regarding Commencement. This information is posted on the IWU website as well at www.iwu.edu/commencement.

- Commencement will be held at **9:00 a.m. on Sunday, August 2**. Please note the time change, due to possible hot temperatures in August.
- If you have not registered your intent to participate in the August ceremony, please do so by July 6. Please consult the email sent on April 2 for the survey link or contact Cheri Armstrong in the Registrar's Office (carmstro@iwu.edu) if you need the link resent.
- If you would like your cap and gown shipped to another address, please use this [link](#) and select the HOME SHIP OPTION. Otherwise, details regarding pick up times and location during Commencement weekend will be sent closer to the event.
- In addition, you may still order caps, gowns, and other items online until July 6: colleges.herffjones.com/college/illinoisWesleyan/.
- Cords will be distributed during Commencement weekend. For those who can't attend, they will be shipped to you following the ceremony.
- Herff Jones has offered a new option for you to design and print your own revised date and time card inserts for your graduation announcements. The templates are available at www.herffjones.com/insertcards.
- Details are forthcoming regarding the Senior Celebration event planned for Saturday, August 1.

If you have questions, please contact us at commence@iwu.edu or (309) 556-3780.

I hope your last week of classes has gone well, and I wish you the best as you complete your final exams.

With best regards,

Georgia Nugent
President

1312 Park Street
Bloomington, IL 61701
