Budget Review Ad-Hoc Committee

Author: President Brexton Isaacs

Date Proposed: January 27, 2013

Date Approved: January 27, 2013 (With Revisions)

## Charge

The charge of the Budget Review Ad-Hoc Committee is to evaluate the current budgeting practices of the Student Senate as well as research potential alternatives to compare the pros and cons of each method. The Committee shall then submit a report on their findings to the Student Senate, following their review.

## Membership

President Brexton Isaacs

Vice President Kent Larson

Treasurer Austin Aldag

Two current or former FAB Members

*Two RSO Leaders*

## Rational

Since Senate adjusted its budgeting procedure for the 2012-2013 budget, it is fitting that we review the success of that method and look at potential alternatives to weigh our options for the 2014-2015 budget.

## Revision

A revision to include the Two RSO Leaders was included, following Senator Recommendation.
