

Commencement 2020 Update

July 3, 2020

To the Class of 2020,

I wanted to update you on some details regarding all things related to your graduation:

- Diplomas were sent via certified mail on June 25 to all students residing in the United States, so you should have received yours by now. If you haven't, please let me know. International students, your diplomas will be sent with items referenced in the next bullet.
- Honor cords and some other special surprises will be sent to you in mid-July (target date is July 17)
- All caps and gowns where orders were changed to the HOME SHIP OPTION have been sent. **Please note, the orders were not automatically changed.**
 - Use this [link](#) and select the HOME SHIP OPTION to receive a cap and gown. (Orders made after July 6 will not be guaranteed to arrive by July 31.)
 - Once you've done that, send me the **original order #** and the **convert order #**, and I will ensure the order is processed correctly.
- You may still order caps, gowns, and other items online:
<http://colleges.herffjones.com/college/illinoisWesleyan/>.
- Although not the same as being here in-person, we are excited about celebrating with you on August 2. Be on the lookout for an electronic invitation coming your way.
- Given the unfortunate circumstances surrounding this monumental event in your lives, we would like to make the virtual Commencement as special as possible by incorporating some additional information about you into the ceremony. **Please do the following by FRIDAY, July 10.**
 - Complete this [form](#) with information you would like included
 - Email a photo of yourself to me at janders3@iwu.edu (in cap and gown, with diploma, or other favorite photo). If possible, send as JPEG, TIFF or PNG file.

If you have any questions, please contact me via email at janders3@iwu.edu or by phone or text at 309-212-7274.
