

Class of 2020 - All Things Commencement

Dear 2020 Graduates,

Thank you to all who have already sent me photos and filled out the [Google form](#). We have loved seeing your pictures!

I realize some of you would like to submit a photo in your cap and gown but haven't received it yet, so I'm going to give you a little more time. If you can send it to me by Monday, July 20, that would be great. And if you still need more time, just email me, and I'll see what we can work out. In the meantime, if you would please go ahead and fill out the [Google form](#), we can work on that part of the program. (See more details in my [previous message](#).)

Lastly, I have some really good news — for those of you who are interested, we would like to invite you to participate in our next in-person Commencement ceremony. I will be in touch as that time draws nearer with more details. So keep track of those caps and gowns!

Please still submit your photo and information to be included in the virtual ceremony as well, and if you have any other questions, just let me know.

Best,

Julie
