The committee, with Linda French and Karen Schmidt assisting, evaluated four applications for the small grant to revise or devise assignments, pairing a faculty member and librarian.

During that discussion a few suggestions for revising the CFP for the assignment grant were floated.

Following the evaluation of these proposals, the committee discussed final revisions of grants to departments to attend a June 7-8 workshop and to develop outcomes documents for writing in the disciplines and information literacy. There was also brief discussion about the structure and nature of the June workshop.
