COMMENCEMENT  
for the  
ONE HUNDRED THIRTY-NINTH YEAR

MAY THIRTEENTH  
NINETEEN HUNDRED EIGHTY-NINE  
BLOOMINGTON, ILLINOIS

ILLINOIS  
WESLEYAN  
UNIVERSITY

OFFICE OF  
THE PRESIDENT

May 13, 1989

"To the Class of 1989, congratulations! The degree you receive today is the culmination of your years of hard work and dedication. But do not mistake it for an end. The object of education, according to American educator Robert Maynard Hutchins, is to prepare you to educate *yourselves* for the rest of your lives.

Your parents and your professors have guided you with wisdom and affection to this wonderful day. What happens next must be of your own choosing. I hope and believe that you will maintain the discipline and desire for success that you have demonstrated here at Illinois Wesleyan.

Remember with pride your own accomplishments, even as you recognize and applaud the achievements of your friends. Remember the promise of this place that taught far more than lessons in a lab or studio or classroom. And remember most of all the people of Wesleyan. Look around you at the friends and faculty who share this special day. We will remember you!

Welcome, graduates, to the ranks of Illinois Wesleyan University alumni!"

Sincerely,

*Wendell W. Hess*

## **Senator Paul Simon**

Illinois Senator Paul Simon is described by the "Almanac of American Politics" as having a reputation for competence, honesty, and independence. Simon, the author of 12 books and a respected weekly newspaper column now nearly 40 years old, began his career as a journalist at age 19 as the nation's youngest editor-publisher. His many years of public service in Illinois have included terms as lieutenant governor and state legislator. After a decade of service in the U.S. House of Representatives, Simon won election to the U.S. Senate in 1984. As a member of Congress, Simon has been a leader in education, literacy, arms control, and many other issues. His most recent book, "Winner and Losers", recounts his unsuccessful bid for the 1988 Democratic nomination for president.

## **Mr. Russell O. Shirk**

A Bloomington native, Russell O. Shirk, IWU Class of '43, is Chairman of the Board of Beer Nuts, Inc., and past President of Shirk Products, Inc., the sole producer of the nationally distributed Beer Nuts™ peanuts. The original producers of the peanut product were Shirk and his parents, Mr. and Mrs. Edward G. Shirk, who sold the product by the scoop to walk-in customers of the Caramel Crisp Shop in downtown Bloomington. From those modest beginnings and as a result of Shirk's vision, integrity, and guidance, the business now occupies a 100,000 square foot plant; where skilled employees and highly automated machines turn out 12-15 million pounds of glazed nut products a year for national and international distribution. Honored by the IWU Alumni Association in 1971 as a "Distinguished Alumnus", Shirk participated in basketball and tennis at Wesleyan.

## **Academic Colors and Regalia**

The colors lining the academic hood designate the faculty, or department of learning, in which the degree was earned and also the college or university which awards it. Today's graduates of Illinois Wesleyan University will be wearing white for the College of Liberal Arts, pink for the School of Music, golden yellow for the sciences and brown for the fine arts. Faculty members in the processional may be wearing light blue for education, copper for economics, drab for business and accountancy, orange for engineering, purple for law, lemon for library science, green for medicine, apricot for nursing, dark blue for philosophy, sage green for physical sciences, cream for social sciences and scarlet for theology, among the many available. The colors are mandatory on hoods, but may also be used on the tassels and/or the velvet on doctoral gowns.

The university or college is usually identified by the color of the hood lining. Two colors are frequently used, since there are approximately 2,000 degree-granting institutions in the United States. Illinois Wesleyan's green and white was adopted in 1888; the liturgical colors are appropriate for this institution, with the green symbolic of growth and development and the white representing the purity of Christ.

The Illinois Wesleyan University Mace, first carried at the 1969 inauguration of Dr. Robert S. Eckley as 15th president of the University, is also a striking symbol of the institution. Made of bronze for power and endurance and of walnut for organic strength, its cupola represents the bell tower of Old North Hall, Wesleyan's first building, which was erected in 1865 and demolished in 1967 to make way for the Sheean Library. The bell suggests the Hedding Bell, a campus landmark since 1931, when it was installed on the IWU campus after peeling for generations at Hedding College, now defunct. The staff of the Mace is made from the walnut of Old North Hall, and the names of Wesleyan's presidents are engraved on its bronze base.
